

AN APPEAL

Pujya Atmna, Respectors,

Due to the Corona Covid-19 pandemic the Government of India and Government of Odisha declared the lockdown and sometimes shutdown to fight against the disease since 20th March, 2020. Taking in to consideration of the serious situation "PANCHABATI SEVA PUBLIC CHARITABLE TRUST" also participated and involved with some charitable work and awareness programmes to fight against the pandemic with its limited resources. Since 20th March we are continuing our service for the benefit of the society without any financial assistance from anywhere. At this juncture we are running with a shortage of funds to meet our establishment cost and daily expenditure of the ashram and temple.

As You all know our trust is not a profit-making organisation and request your good self to extend your help and kind cooperation for the smooth running of our ashram and establishment by donating financially.

WISH YOU ALL A SAFE & HAPPY LIVING.

THANKING YOU
